### Internet Services Price List

10<sup>th</sup> April 2006

These are the prices current at the date of this list, for the latest prices please check at [www.sigmaassociates.co.uk](http://www.sigmaassociates.co.uk).

Please also read in conjunction with our terms and conditions, which should be attached to this price list. If they are not attached, a copy can be downloaded from our website.

### Web Site Hosting

This is an annual charge for the space for your website on a web server. The prices shown are for a straightforward website, sites that require more complex arrangements such as online buying will be quoted individually.

These prices include:

- Any domain registration and all other internet fees for the first year,
- One email address which can receive multiple addresses,
- Minor changes to text and changes to 10 images per year, where the website was created by us,
- Email technical support,

Domains	< 50 pages	50 to 100 pages
.co.uk, .org.uk	£70 per annum	£95 per annum
.com, org, .net	£85 per annum	£105 per annum

### Domain Pricing

After the first year, which is free when a hosting account is purchased, the cost of renewal is:

Domain	Per annum
.co.uk, .org.uk	£7
.com, .net, .org	£25

The cost of domains purchased without a hosting account are:

Domain	Per annum
.co.uk, .org.uk	£10
.com, .net, .org	£30

Other domains on application.

These prices include:

- Advice upon suitability of domain type,
- Registration and all registration fees for the period stated,
- Domain ownership certificate (co.uk & .org.uk only)
- Handling any registration requirements or technical issues with the registration authority,

## Other Items

Redirection to another domain	£10 per annum
Set up email addresses on client computer	£35 per visit (plus travelling > 30 miles)
Set up additional emails	£15 per email
Transfer of domain tag	£35 per domain
Change nameservers	£15 per domain

These costs include:

- 30 days telephone technical support,
- Technical advice,
- Webmail – access to email messages via the internet

## Notes

1. A hosting account is required to use email based on your domain,
2. This hosting account includes one email address.
3. This email address is a catchall and will receive all emails addressed to that domain – for example sales@adomain.co.uk or info@adomain.co.uk will both be received by the catchall,
4. Email can be received via Webmail or by an email client such as Outlook Express or Outlook.
5. Transfer of domain means that domain renewal will come from new hosting company as well as hosting.
6. Change of nameservers means that you can host the website elsewhere but the domain renewal charges are still handled by us.

## Support

Guide prices for telephone/email support are:

Email/web site support – 1 – 3 email addresses	£30 per month
Above 3 email addresses	POA

## Web Site Design

By individual Quotation but guide price would be £99 per page.

All prices exclude VAT @17.5%.
